## **Workshop**

### **The legacy of “Comparing Media Systems. Three Models of Media and Politics”**

**Perugia, April 13<sup>rd</sup> 2019**  
**9.30 – 17.00**

**Dipartimento di Scienze Politiche**  
**Area di Studi Sociali, Via Elce di sotto**  
**Perugia**

“Comparing Media Systems. Three Models of Media and Politics” (Cambridge, 2004) has been widely discussed by the scientific community of media scholars. Some of those who have reflected on the book will meet in Perugia to discuss what has been accomplished after the publication of the book and which are the next possible steps in comparative research in media studies.

Participants: Sigurd Allern (University of Oslo), Sara Bentivegna (Università di Roma, La Sapienza), Michael Brueggemann (University of Hamburg), Alessio Cornia (Dublin City University), Frank Esser (University of Zurich), Dan Hallin (University of California, San Diego), Paolo Mancini (Università di Perugia), Rita Marchetti (Università di Perugia), Rolando Marini (Università per Stranieri, Perugia), Marco Mazzoni (Università di Perugia), Gianpietro Mazzoleni (Università di Milano), Sabina Mihelj (Loughborough University), Efrat Nechusthai (Columbia University, New York), Lars Nord (Mid Sweden University, Sundsvall), Ester Pollack (Stockholm University), Susana Salgado (University of Lisbon), Ambrogio Santambrogio (Università di Perugia), Carlo Sorrentino (Università di Firenze), Sergio Splendore (Università di Milano), Elena Vartanova (Lomonosov University, Moscow), Katrin Voltmer (University of Leeds), Jan Zielonka (University of Oxford).
